Dear Club Member,

AGM 2017 – November 19th , 2018

I write to inform you of the date of our AGM which will be held in the Pavilion on Monday November 19, 2018, at 8:00 pm and I look forward to seeing you all there.

2018 was certainly a great season for all aspects of the club as Sudbury achieved what I feel is certainly one of the greatest sporting achievements in the history of the town by winning the EAPL for the second year running spearheaded by Tom Huggins. Every one of you played your part.

But I get as much pleasure in seeing our Juniors and all our sides achieve amazing things which every team did in 2018. I will share more on the night as we report on the past year but I was proud of every team and every part of the club. Of course we can always do better in certain areas but we also need to sit back and truly reflect and understand what has been achieved and how lucky we are to be a part of Sudbury Cricket Club.

We have been working hard in preparation for 2019 and we need as much help and input as possible from all areas of the club. We always need more volunteers and we value all ideas, thoughts and feedback. It would be wonderful to see a good turnout at the AGM as we report on our great achievements.

The AGM gives you a chance to hear how the club is doing in more detail, help shape it for the future and gives you a chance to chat to your fellow club mates during the off season. I am always open to fresh ideas and help so please never hesitate to get in contact with me.

I draw your attention to the roles listed overleaf on the Management Committee and Players' Committee. Please don't hesitate to contact me with any questions. Again, all support is greatly appreciated to help fulfil various roles at the club.
