Outdoor training

We commence our season of outdoor training sessions down at Quay Lane on Monday April 13th and continuing right through to July 20th. Age groups up to and including 12's will be from 5.00pm to 6.15pm and older age groups from 6.30pm to 8.00pm. Bank Holiday Mondays (4th May and 25th May) will be no sessions but the Tuesdays after there will be sessions for the younger age group only from 5.00pm to 6.00pm as the senior section have their training evening on Tuesdays. Juniors who only play adult cricket will attend the Tuesday and Thursday adult sessions starting at 6.00pm.

As usual we are hoping to have our presentation and family BBQ on the final Monday evening (20th July) so keep this date free.

WET WEATHER

No training will take place if the weather is wet so please either phone the club on 01787 377553 or check the web site which is regularly updated. If time permits then an email informing of the cancellation will be sent out.

Fixture and information cards

Please collect your copy of the fixture card from Mandy at the start of the season. Contained within will be all the clubs fixtures apart from junior friendly fixtures which are in the process of being arranged. We are entering under 11's, under 13's and under 15's leagues this season and the friendly fixtures should make up some of the fixture loss. These fixtures will be with clubs closer to home to make it easier to attend the away fixtures.

Clothing

CSS Rugby is the approved club stockists for Sudbury CC kit.

www.css-rugby.co.uk

Weather permitting they will be at the club on Monday 20th April with kit to purchase on the day. Club caps can also be purchased from Mandy on Monday evenings.
