New coach for 2015

Sudbury Cricket Club is extremely pleased to announce that they have secured the services of Tom Huggins for the 2015 season as senior coach. Ex Northamptonshire batsman Tom has also been announced as Suffolk's new Minor Counties captain. As an ECB level 4 coach he will bring to the club a wealth of experience in playing and coaching, especially through the county junior ranks and the Suffolk development X1. The club, with Tom's help are determined and committed to restructuring the coaching sessions to allow all players the opportunity to reach their full potential. For the more talented players we will be inviting them to take part in Elite nets to help them to develop their technique and

understanding of cricket and eventually to take their place in the senior sides. All the existing coaches within the club relish the opportunity to work with and learn from Tom.

Can you help the coaches?

Sudbury CC is inviting applications to become Cricket Activators. This position will be someone who can support the coaches in their role on training evenings.

The course will involve 1 day (or perhaps 2 half days) to acquire the relevant skills possibly at Thomas Gainsborough school.

Sudbury Cricket Club will pay all the relevant fees, all you need to do is to attend the course, gain your qualification and then join in with as many of the enjoyable coaching sessions as you can.

Please get in touch with Mandy at juniortalbots@aol.com if you are interested.

Lords Taverners

We are pleased to announce that we will be hosting a match against the Lord's Taverners Invitation XI in July for their third visit to the club in aid of their charity which does a fantastic job of supplying sporting equipment for disadvantaged and disabled children.

Their side is usually made up of current and former 1st class cricketers and celebrities with visitors in previous years including Alistair Cook, Mike Gatting and Graham Roope (ask your parents), and TV stars such as Charles Dale, Fraser Hines, Chris Tarrant and Lorraine Chase.

The match is being supported by several local companies and promises to be a great day so here's hoping the weather is going to be kind to us.
