

THE JUNIOR TALBOT

www.sudburycricket.co.uk

Sudbury CC are pleased to announce that **DUSTIN MELTON** of Northern, South Africa will be joining the Club for 2016. Dustin is a 20 year old fast bowling all rounder and we look forward to him joining the Senior and Junior Coaching staff for the coming season.

His University side Assupol Tuks recently won the Red Bull University Cricket World Cup beating Loughborough MCCU in the final, a competition in which our own James Poulson also competed in for Oxford MCCU and who were narrowly beaten by Loughborough in the UK final. Dustin arrives in time for the start of the season – let's make sure we extend him a typical Talbot's welcome and wish him well for the season ahead.

Kwik Cricket Tournament

Sudbury CC will be holding our own Kwik Cricket tournament at Quay Lane on Bank holiday Monday 30th May starting at 11.00 am. The bar will be open and there will also be a BBQ for those feeling a little peckish.

If you are not too tired after all this running around then maybe you would like to stay afterwards as the seniors will be playing a Suffolk Cup T20 match. If you do stay then please take care and keep an eye on the match as T20 can be quite explosive and spectacular.

Easter Bag Pack

Once again Sudbury Waitrose has offered us the chance to do another bag pack this Easter. Those that have done one before will know it is a worthwhile event benefitting both Waitrose and Sudbury Cricket Club. Volunteers are required for 26th March 9.00 til 13.00, if we get enough help you will only need to do an hour or two at most. Please Let Mandy Know if you can make it & what time. Coincidentally there will be no indoor training that day because of a prior booking at the sports centre.

Managers & Coaches

We still require a manager for the 2016 season. This will be for the under 9 age group. No cricket experience is necessarily needed. You will be supported by the coaches and admin staff if you require it.

If you feel you can help please contact Mandy through the usual channels.

Many thanks once again for our existing and new managers alike for taking up these crucial positions and a **big big** thankyou to all of our coaches, many of whom have undertaken to do the training to gain their ECB level 2 qualification and to give their time free of charge.

Helmets

The ECB has recently announced new helmet safety measures, which are being introduced with a view to reducing the risk of head and facial injuries within the game.

The position in relation to u18s currently remains unchanged, and is governed by the 'ECB Guidance on the Wearing of Cricket Helmets by Young Players' (www.ecb.co.uk/youngplayershelmetguidance). In essence, batsmen and wicket-keepers standing up to the stumps must wear head protection when playing or practising. That Guidance should be referred to in full for the position in relation to u18s by visiting the above web site.

The latest British Safety Standard is **BS7928:2013** (for both adults and juniors). Existing helmets do not need to comply with the new British standard but please make sure that when purchasing any new helmet that it meets with the latest standard.

Membership

Please remember to submit your membership forms as soon as possible to guarantee your place in your age group. This includes all junior members (18 years and under) including those playing senior cricket only. Please make Mandy aware if you are only going to play senior cricket so your name can be put on the availability list.

Outdoor nets start on Monday 11th April.

Under 11's - 17.00 til 18.15

Over 11's - 18.30 til 19.45
