Be Sun Aware

Summer is almost upon us and (hopefully) the sun will shine bright and long so please don't forget your sun cream, hat and drink especially when at the matches and coaching sessions

Season underway

So the season is finally underway and the outdoor coaching sessions are reported to be going well. At the time of publication there has been good performances from the under 11's and under 13's. Some of the other age groups have yet to play their opening fixtures but are due to play in the next couple of days. We wish them well and win or lose the main objective is that the players enjoy themselves.

Cricket Camp

Mike Jones is running a Cricket camp during the Whitsun half term. See his advert for details which is attached to this newsletter

Fixture cards

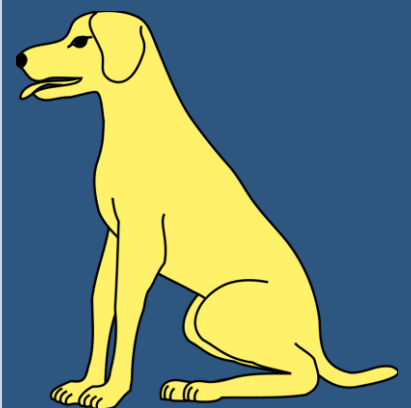

There are still some parents who haven't picked up their fixture cards. Although you may all have been given a list of junior fixtures the card contains a lot more information including contact numbers that might be useful. It also contains the club policy which we need to publish to all parents as part of our continuation as a clubmark club.

I'd rather attempt to do something great and fail than to attempt to do nothing and succeed.

Thanks Emma

Emma Quinn has joined the club fund raising committee and has already attended meetings and put some thoughts forward. She will keep all parents posted on future developments and future functions in due course
